

ERRATUM

Open Access

Erratum to: indirect genetic effects contribute substantially to heritable variation in aggression-related traits in group-housed mink (*Neovison vison*)

Setegn Worku Alemu^{1,2*}, Piter Bijma², Steen Henrik Møller³, Luc Janss¹ and Peer Berg^{1,4}

Erratum

After publication of this work [1], we noted that on page 5, in the second column, the three equations:

$$e = \begin{bmatrix} e_m \\ e_f \end{bmatrix} \sim MVN(0, C \otimes I_e),$$

$$C = \begin{bmatrix} \sigma_{e_m}^2 & 0 \\ 0 & \sigma_{e_f}^2 \end{bmatrix},$$

$$I_e = \begin{bmatrix} I_m & 0 \\ 0 & I_f \end{bmatrix},$$

should be removed, and replaced by the following two equations:

$$e = \begin{bmatrix} e_m \\ e_f \end{bmatrix} \sim MVN(0, E),$$

$$\text{var}(E) = \begin{bmatrix} I_m \sigma_m^2 & 0 \\ 0 & I_f \sigma_f^2 \end{bmatrix}.$$
